Subject: H. Levinson Vap List -- Salem B1G1F

mgm

Dear Managers,

Attached is a section of H. Levinson's VAP List for the July Salem B1G1F. The list represents 19% of the accounts to receive the promotion. As you can see we are still missing VAP supplier numbers !!

Please pass this list on to your involved reps and have the information sent to the ROU for update -- AND -- if your reps still want this Salem B1G1F promotion to go to these accounts in July they must return the attached list (and only the attached list) to me with the VAP supplier number. If the list is not returned I will eliminate the accounts without a VAP number from HLA's list and the stores will not have the promotion.

I do not think there are any questions.

George
